

SUNLIGHT SECURITY SYSTEM

SAFE | STYLISH | AFFORDABLE

SUNLIGHT SECURITY SYSTEM®

316 MARINE GRADE SEE THROUGH MESH

The Sunlight Security System (or SSS) combines sophisticated technology, disciplined manufacturing and unmatched quality with an attractive design, giving you the ultimate security, style and peace of mind.

Constructed with a heavyweight extruded aluminium frame, high-strength marine grade 316 stainless steel, and our unique 3-way locking system, it ensures maximum protection of your property and family.

And naturally, because security is our chief concern, the SSS has been rigorously tested to ensure it meets all relevant Australian and Industry Standards

- ✓ Dynamic Impact Test
- ✓ Lock and Hinge Lever Test
- ✓ Knife Shear Test

Features:

- Triple locking mechanism
- 0.8mm marine grade 316 stainless steel mesh
- Mesh count of 11 x 11 strands per inch (25mm)
- Heavyweight extruded aluminium frame
- Heavy duty corner stakes
- Wedge type fixing system
- Quality Austral locks and handles
- Available in more than 20 standard powder coat colours
- Hinged, sliding doors and grilles available

Covering the windows of Australia since 1985
